The Lady:

same as girl in photos but older. In fact, nicer. She has a cute face. body is nice and voluptuous - big tits, of which one at least is fake.

The Story:

Good kisser. Covered BJ. just my luck last few days (see Samantha review - babylon, hot-collection, avenue). Anyway I guess it's better that way cause I can kiss her and not worry about whether she brushed her teeth between OWO's.

This is a clean girl - very nice to kiss, sexy eyes to look at in mish, nice nipple to bite if you want a reaction and a good arse to hold onto when the going gets tough. Not loose but no too tight so you can relax and fck at leisure. Only downside was that she suffers from, what is known in the biz as, shallow pussy. Couldnt get it all the way in for fear of ripping something.

Will I return? I think so. She has quite a sexy accent. Doesnt sound like normal EE girls, has a bit of class and should prob up her rate.
