The Story:

I asked Ellie if she would wear a Nurses uniform for me, which she had no problem with and popped out and returned not only wearing a the uniform, but had Debbie in tow wearing the same. Result!

Ellie then proceeded to give me a fantastic uncovered blow job, while I got to suck on Debbies titties which was a great experience.

For some reason I started to wilt, so I guess Debbie thought I might have more success if I only had one lady to concentrate on which was a bit of a shame, but I thank Debs for her understanding.

Well Ellie then started to suck for England, she told me she loved giving head and boy she wasn't lying. She got me back rock hard, and then I told her I wanted to fuck her. On with the condom and Ellie got on her back where I then gave her a good banging, she seemed to like this and she was soon moaning and cumming.

After she came, I withdrew and she then hungrily tasted her juices, very kinky I thought.

Well after Ellie had been satisfied it was now my turn, I got nice and comfortable on the bed and let Ellie get on with what she did best, and after while of this excellent BJ I shot my load into her mouth. The dirty minx didn't spill a drop swallowed it all down.

I left a satisfied man, but not as satisfied as I would have been if Debbie had remained in the room. Its your turn next Debs!
