The Premises:

Large clean Ground floor & basement maisonette near Earls Court Station. Another girl works from there, I heard her but I didn't see her so I can't comment on her.

The Lady:

As from her pics she is a very beautiful Thai girl about size 8 dress. About 5'6" and looks about 24-25, so difficult to know with Oriental girls especially when you have one thing on your mind. Her eyes are captivating when she looks at you and her smile just lights up her face when she greets you. I knew I hit the jackpot here.

The Story:

I arrived late as I came by the underground, ZaZa was OK as I had texted her earlier. I was greeted at the door with her wearing a black basque with stockings, the highest heels I have ever seen & with that lovely smile & led me to a basement bedroom.

At this time my heart was racing, here's me at 52 recently divorced & taking a punt at seeing a girl for the first time. I wanted to jump on her there & then but was offered a shower by ZaZa which I accepted as I came from work. ZaZa offered to join me in the shower but I said it was OK as I felt a bit nervous.

So after shower she gestered me very sexily to the bedroom, I was half mast after the shower but now I was so hard as she was whospering sweet nothings to me. She went down on my cock & sucked so deep and wet I could of come in seconds. Thanks to my age & experience I held out for a while, I now wanted to taste that sweet Oriental pussy that I had been dreaming of before coming here. ZaZa is shaven down below and I took my time tasting & smelling her pussy.

I was by now raring to go and fuck her as she was moaning like a pussy cat, on with the hat & I took her in missionary all the time looking at me with her beautiful eyes. She rode me cowgirl & then we did doggy & so I couldn't hold back and after 10 minutes or so came deep inside her pussy.

Had a nice deep tissue massage (says she is fully trained, who am I to argue)and she started to

strobe my balls, was suprised to see the old fella rise to the occasion & so we did a second round, I held out alot longer & finished just up to the hour.

Her English is quite good & she can hold a conversation with you quite easily. ZaZa is good fun & a beautiful lady.
