### The Story:

OMFG! This girl is HOT with a capital H. I've been punting for a few years now and have never submitted a report. But, when I met Stephanie she blew me away (in more ways than one) so much so, that I just had to put pen to paper so to speak.

Last Fridays ?meeting? was so intense that I just have to share it with the punting community. I went to see Stephanie as I have done on several occasions, but I must have been giving off some sort of magic vibe or something. She entered the room and just lit it up. She?s half Spanish, half Malaysian, with such a sexy body and a sultry look in her eyes, that it makes it impossible to resist her charms. After the usual greetings and exchanging of funds, we got down to business.

First off she caressed, then gently licked my sac, whilst briefly breaking away to kiss my legs, then she took hold of my throbbing cock and expertly began kissing and sucking on my bell end. The sensation was amazing and it was a hell of a job asking her to turn round so I could return the favour on her moist pussy.

She is the sort of girl that really enjoys her work and was soon moaning with mutual pleasure while I greedily gulped at her soaking pussy, as she tried to continue sucking my near exploding member. She began to rub her pussy up and down on my face until I could feel her juices running down my neck and onto the bed.

After what seemed like ages of the best 69 I've had in a long time, we broke away for a breather and on with the raincoat for some doggy. Her arse is one of the best I've had the pleasure of viewing while fucking her with deep thrusts, which only led to her getting more and more worked up. She was now so turned on I thought the maid would come bursting in any second from the amount of noise we were making, just to see if all was ok. Thankfully she didn?t and we continued with doggy until she raised herself up and closed her legs, so that I was fucking her from behind, with our bodies touching, while I felt those soft mounds of flesh on her chest, the sensation was ultra erotic. It made her feel so tight that I could not contain myself any longer and said to her that I was coming. She responded with an almighty moan and shuddered to a blistering climax as I came.

Neither of us could stay on our knees any longer and we both collapsed in an exhausted heap on the now soaking towel.

Afterwards, we chatted for a while, until it was time for me to go. I could seriously stay with her all day, if only funds would allow. I have reluctantly put this report up, as I selfishly would want to keep her all to myself, but in the interests of the punting community I just had to tell you all about her. Go see her if you are in South London sometime and see if you can tear yourself away, this is one of the horniest girls I've ever met and I cannot wait to see her again. Roll on Friday!!
