### The Premises:

As noted in previous FRs, it isn't the most discreet place - particularly when you arrive during half-time of a televised football match and all the smokers are standing outside the pub opposite.

### The Lady:

Described over the phone as 28, size 12, 36DD. Near enough the mark for a parlour description.

### The Story:

Very enthusiastic, friendly lady with tremendous oral skills. The back rub turned quickly into a body-to-body massage and things just got better from there. Didn't feel rushed, even though another punter had arrived before I had left. Discreetly handled so that we didn't meet.
