The Premises:

The flat was easy to find in a respectable area. Quite safe, entryphone system. The flat was a bit disorganised but clean with a good sized bed. No shower facilities, but a WC and handbasin was available.

The Lady:

Good looking Russian Blonde, slim, about 21, moderate sized breasts. Looks younger in the flesh than on the website.

The Story:

This lady was recommended by the agency after my original request was not available. I really liked Star, and we started very well. She gave a lot of attention to my cock for the first few minutes, hand and mouth. I think she only used oral when I was watching, but her hand technique was OK too.

Then came the problem.

Her pussy was out of bounds. No fucking, no kissing, no stroking and I struggled to even get a look at it.

She was worried about infection, she said.

I think she's in the wrong profession.

To be fair I did enjoy my time with her, but if I'd known I wouldn't have bothered, and Punternet exists to pass on this sort of information.
