The Premises:

A flat above a row of shops. There's a car park nearby and the receptionist will guide you in from there. It's a fair way up the steps but quite safe. Warning: don't park in the back yard as there is clamping. The flat is clean and run by a Thai family who are anxious to please. They have previously listed as Roomg Massage, whatever that is.

The Lady:

Vikki is prtty with a slim small body and long dark hair. Typical Thai. About 30. .

The Story:

She can give an interesting massage with her bum if she's in the right mood, and she is happy to give owo and kissing. I've seen her a few times and she is reliable giving GFE and good VFM. No rush, plenty of cuddles and giggles. She acts as though she enjoys your company
