The Premises:

Nice clean and tidy flat in large upmarket block few minutes walk from South Ken tube. Concierge in entrance lobby but did not feel watched (suspect this place is full of WGs!) Went straight to lift and up to Briony's flat.

The Lady:

Briony is an amazingly fit and ot Thai girl, I would guess somewhere in early to mid twenties. A little bit more meat on her than in photos but that was a good thing. Sweet face and lovely highly kissable thighs. Peachy arse.

The Story:

Briony is pure filth. She's up for just about everything. She takes charge and you just have to go with it. Very dirty talk throughout. My second visit to her. Briony redefines the meaning of deep in deep throat. Much of the hour was spent with my cock deep down the back of her throat. She was born to suck cock. Also had a good session in her sweet pussy (very tasty when she sat on my face) and up her arse. Came to shuddering climax in her mouth, pumping loads of cock juice straight down the back of her throat. Finished with some WS from Briony in bath. Nice. B is an amazing dirty minx, with the sweetest smile on her naughty little face.
