The Premises:

As previously described, Victoria House is a safe and discreet parlour, with its own car park so you can be very discreet. Only potential embarrassment could be the communal changing rooms, But the men are all there for the same thing !!!!

The Lady:

Blonde, tall (about 5'7) size 12/14 I guess, Fully shaven. Very attractive, chatty and a good sense of humour.

The Story:

Started with a back massage, very nice. Turned over and started the GFE. Kissing, sucking her nipples etc.

Then onto her back for some reverse oral. She seemed to enjoy it very much.

Then covered oral on me, she stopped in case I came too early, she wanted the penetration !!!!

She started with cowgirl, ridng my cock well. Then we moved to the love swing - amazingly her first time on it. I like this you can see all the girls body and as you get your pleasure.

Nice sex,finished and then I had to untangle Lucy from the chair.

Then we had a chat as she cleaned the room, really nice girl, well worth seeing , and will see her again.
