The Premises:

I've used this building before on Bayswater High Street - bit public but safe enough. Her room was immaculate, the bathroom less so, but had the lights down low enough not to notice.

The Lady:

Amy looks much like the ex-pornstar Jade Marcella - which is a massive 2 thumbs up from me. She's not model-proportioned but has a gorgeous face and is nicely toned.

The Story:

Fantastic GFE/PSE mix - very soothing bath to warm up with some hand/mouth action while Amy pampered me in every way. Made our way into the bedroom and straight into some hardcore stuff - she was dead keen on rimming me, vigorous (too vigorous?) OWO and some passionate cowgirl and my request for anal was obliged with some appreciative moaning and eye contact. We'd agreed on a movie-style facial ending, but I was too far gone and shot in the rubber.

Everything was delivered with glee and you really got the sense that she was enjoying; you could forget the professional side of it easily. Top notch all round.
