The Premises:

Bath Road is an ok place despite being "bang on" a main road, I dont live in Bristol so it is fine.

The Lady:

Carina is very nice, busty, about 23 (guess) and with a slight brummie accent, she is in fact very pleasant (maybe too pleasant)

The Story:

I paid an extra ?40 for OWO, DFK and RO but the whole experience for me was spoilt by what I can only call overacting and a blatant fake orgasm I can only assume was done to hurry me up. She took ?20 for OWO but tried to get away with only licking down my cock I was forceful and she relented. Carina may suit you if you like to think you have biggest cock in England or that your tongue skills are the worlds best but despite what was a nice time the overacting did not do it for me.
