The Story:

Courtney entered the room in purple lingere, i ould have preffered to see her ina thong but she looked good. I waswearing a tiny black thong and stockings a fetish of mine, i love the feel of the panties around my cock. Courtney said hello and slipped her bra off revealing her large fantastic tits. She overed a massage which was pleasent, she informed me this was her first day which explained the fact she seemed a little nervous. She rubbed my cock through my panties and draped her ample size breasts in my face so i could suck on her lovely nipples.I was semi hard now so she asked if i wanted her to suck my cock ?10 extra OWO i accepted and she got to work giving me a good blowjob, after a while i asked if she would bendover so i could finger her pussy from behind she obliged and i gace her a good finger fuckingshe became very wet and after a while she rolled over anf frigged her pussy until she orgasmed i could see how wet her pussy had become as pussy juice was dripping from her pink cunt. She took me back in her mouth and wanked my cock to completion when i shot my load she rubbed my bellend which was Very nice. I think Courtney will get better as a times she seemed a little nervous i will return as she was okay and i can see the potential. She offers all services except ANAL and shooting my cumm over face mouth and lips would be my chosen finish next time.
