The Premises:

Nice ground floor flat, entrance is round the back, was shown into a tiny bedroom, barely enough room to move in. After sorting out the cash the larger room became available so moved in there. This was much bigger and well furnished

The Lady:

Very good looking Oriental woman, claims to be 24 and probably isn't too much older than that. A couple of tattoos on her shoulder and one at the top of her breasts which are a nice handful, Dressed in nice lingerie including black stockings.

The Story:

The session started off quite slowly with Sasa, and it seemed as though she wanted to take charge, I was beginning to think maybe I had wasted my money, I decided to take charge and through some gentle coaxing and promising not to put my finger in her bum Sasa relaxed and provide the usual (owo, sex and massage) much to my requirements. Had a nice massage followed by a good stockinged footjob until I came again.
