The Premises:

Terrace house just off Narborough Road, said they had just moved there, fairly sparse but clean enough. Plenty of street parking.
The maid was pretty friendly too.

The Lady:

I couldnt quite get her age, think she was late 20's. About a size 8, 5'5", 34c (enhanced). Not the best looking of girls but she was nice enough.

The Story:

started by undressing me and straight into kissing and hugging whilst standing up. Then onto the bed, nice bit of nibbling on my nipples, OWO, then she sat on my face and writhed about for a bit - quite unique that she had pubes (havent seen then on a WG often). Got to the point where I couldnt breath so had to move her, she was right at the point so she just impaled herself on my cock!! We had sex in multiple positions until I came.

She then proceeded to give me a really nice, hard, deep massage on my back for what seemed like ages. Then she asked me to turn over and started to massage my front, but then started on my cock again until it as hard, she then went for a bit of 69 until I came again - it is not often I come twice in a meeting!!

Great girl, worth a visit.
