The Premises:

Immaculate apartment in the heart of S.Kensington. The maid Lucy was had a charming manner. I was slightly distracted as the other lady Tequilla looked equally as stunning and at one moment contemplated seeing them both. The only downside was being asked by a number of Tourists for directions for various places !

The Lady:

Fit as a fiddle. Beautiful soft brown skin, long legs which lead up to a rear that could only be made in Brazil, implants done nicely. Very pretty face and short brown hair.

The Story:

Hannah's manner was really pleasant from the onset. I felt very at ease with her. She took charge from the beginning. A very sexy lady who is a challenge for any red-blooded male ! There is no language barrier as Hannah's English is really good, conversation came easy and we had a good laugh as well. I will spare the specific details but needless to say that I was well satisfied. Great value for money.
