The Premises:

Modern terraced house in a quiet cul-de-sac. Plenty of easy and free parking. Could be difficult to get to by public transport. House was clean but a little untidy and cluttered. We used what I think was Victoria's own bedroom on top of a nice clean plain white duvet on the nice big double bed.

The Lady:

Ample and very buxom young lady in her mid twenties, verging on a BBW. Shortish red hair. Very clean. She met me at the front door with her bosom bursting out of a low cut top and wearing a tartan mini skirt. As I followed upstairs I then got a lovely view of her curvaceous bottom! Lovely little ginger landing strip!

The Story:

What followed was one of the most frantic and intense experiences of my punting career! This woman is truly a nymphomaniac! She is just slightly submissive, but very anxious to please and give sexual pleasure to her clients. She is also keen to learn new sexual pleasures from them!

Her two main turn-ons seem to be to give rimming and to suck your feet. I got immense pleasure from the former and if the latter turns Victoria on - well, who am I to deny a young lady pleasure!

I came twice in an hour, which is not bad for someone fast approaching sixty!

Highly Recommended - I can't wait to return!
