The Premises:

Flat in modern complex on edge of town. Seemed safe and very clean. OK finding the road and a couple of phone calls later happened upon the right part of the block quickly. Very quiet atmosphere within the block - the receptionist definitely wants you to be quiet too but is not at all unpleasant.

The Lady:

Chinese(?) and quite attractive with a ready smile. Probably only there for the week and not the girl pictured, which I had anticipated.

The Story:

A familiar pleasant session with a smiley and quite willing girl. I suppose part of the pleasure is not knowing what the girl will be like and what she will allow or initiate.

Polly was a mixture. When I didn't want to pay for owo she did a lot of ball licking which was very nice. She also allowed a finger in her pants but I didn't push for too much.

Seemed unkeen to kiss but in fact did so more as we went on and there were lots on parting.

Had cowgirl, mish and doggy and a hj to finish. Pleasant.
