The Premises:

A pleasant, modern and clean flat, located in an attractive block on a commercial street. It's only about a three or four minute stroll from the underground.

The Lady:

Candy is a very sexy, very voluptuous black lady. She looks just as good, if not better, than her photos on her website. What you can't see in her photos, though, is her lovely, warm, friendly and happy personality. Candy is a very attractive lady in all senses of the word.

The Story:

I know that Candy does not want me to give a detailed account of everything we did together, and because of the respect I feel towards her I am not going to. All I will say is that I had an absolutely wonderful, passionate time with Candy; she is an absolute diamond of a girl, and has left me with some very sweet memories. There was no sense of pressure or clock watching, and I stayed and chatted with Candy way after my hour was up. She is an intelligent, well travelled and interesting person with a real passion for people and life.

I always say that each experience is a unique and individual one, and I can only speak for myself. But I am confident that if you are an easy going, friendly, clean and well groomed person you will have a very lovely time with this special lady, and leave her place with a more positive outlook on life; I certainly did.
