### The Premises:

First Time at La maison. Saw Rian on the web site and booked a time over the phone. No waiting around when I arrived, I went straight in. Good professionally run Parlour.

### The Lady:

Coloured lady, really athletic and an arse to die for.

### The Story:

Showered and agreed OWO and A levels. Rian then gave me the best deep throat I have ever had. I could feel my cock being squeezed by her throat as she took it right down to the base. Returned the Oral with by bag of gadgets and gave her " the best multiple orgasm she had had in a long time". (Its nice to see that I still maintain my 100% hit rate). With her pussy still throbbing I had no choice but to finish off by exploding up her tight arse doing doggy style - Fantastic. We even had a little time at the end to massage our rather tense muscles from our orgasm highs. Brilliant session, I will definately be back, but must book an hour to have a bit of a sensuous recovery as I could hardly walk as I left the room
