The Premises:

Modern terraced house on fairly busy road. Plenty of pay and display parking nearby. Interior of house was well furnished/decorated with a spiral staircase in the front room leading up to the bedroom. A safe suburban district with no problems at all.

The Lady:

As previous FR's she is a beautiful oriental lady around 30, long dark hair, thai. Around 5'6" tall. Gorgeous figure with very nice breasts, probably D cup.

The Story:

After reading the excellent field reports on this lady I decided I must make a visit...very pleased I did!! This lady is exceptional. I have punted many times and many girls will give a 'girlfriend' type experience but not to the standard of Dee Dee (especially in this price range).

First, French kissing standing by the bed..then she dropped to her knees and took my cock into her mouth. After a few minutes of this we fell on to the bed where there followed about 10 minutes of serious 69. Her pussy is a thing of beauty!

Then more solo OWO on me before slipping the condom on so she could ride me cowgirl style. Her pussy is very tight!

Flipped her over in to missionary and after a few more minutes of heavy pounding I exploded !!

Looks 9/10

body 9/10

service 10/10

value 10/10

This lady deserves to be treated well and this establishment seems well run with a very friendly maid.

I have no hesitation in recommending it to my fellow punters ! (wish more parlours were up to this standard!). Keep up the good work !
