The Premises:

Penelopes place is one of the nicest I have been to, smart, clean and modern. I would call it a luxury flat. Her place is easy to find, I parked on coin meter parking yards from her front door. Entrance is on main road, near Junction, but she asks you to call then lets you in.

The Lady:

On arrival I was met by a bright, lovely, busty Spanish pocket rocket! She had a mac on and underneath some really sexy underwear.

The Story:

The best welcome this punter has ever had. All the previous reports on the other site - I was a bit sceptical about, really accurate- shes a gem, a really warm, friendly GFE experience blended in with a dash of porn star if you need it.

I had a lovely proper massage and everything on her profile that was listed that I wanted was on offer. Fab OWO and lovely kissing.

All a bit of blur really, just ended with doggy and lots of puffing and panting. The ceiling mirror is really a nice touch, she encourages you to look at yourself pumping this spanish beauty. Got her to talk dirty in Spanish, she could have been reciting her shopping list, but it did it for me. After Round 1, listened to some music and had a chat. Round two - all positions, she does make you feel special and refers to punters as "friends" that she likes to leave her place satisfied. I doubt you will find anyone in London to match Penelope. I feel addicted, drawn to return. Thanks Pen for making a dull afternoon in SW5 such a lift. I do hope to return before you fly away again. Gracias tanto
