The Premises:

Top floor flat in a quiet road near Baker Street. Clean and tidy room with adjacent bathroom. The room is adequately equipped with all implements and gear, although not over large in size.

The Lady:

Lucy is about 5' 5" tall and a pretty slim brunette with shapely legs and a lovely bottom. She has just below shoulder length hair and was wearing exactly what I had requested.

The Story:

I was met initially by Lucy's maid who I recognised as a former submissive with LS Babes who made me very welcome and provided a drink. Lucy soon appeared and agreed to my wishes without quibble although with added cost for particular requests. Lucy was very feminine and beautifully submissive and responsive. She accepted discipline well and enjoyed being put in bondage. Her oral skills are very good. Although a relatively new submissive escort Lucy is not a novice, although at the same time she is not vastly experienced and has potential for development. She is certainly very willing to please and very enjoyable to be with. I will see her again.
