The Lady:

Bianca is about 5ft 6inches tall very slim with a very nice shapely backside and fantastic tits not overly large but they have a nice shape and feel to them, she has long dark hair and a radiant smile, i would have like to have see her in bright red lip stick but this is a personal choice,

The Story:

Bianca asked if i would like a massage but i would always get down to the sex with out the fumbleing, bianca jumped on the bed and we had a quick cuddle and fondel she pop out her tits for a nice suck.

she then gave me a covered bj, uncovered is also on offer. after a nice time with her sucking and playing with me i layed her on her back and gave her a good licking, then she jumped on top till i completed overall a very nice girl and a very nice time had will i go back you can bet i will for at least an hour next time.
