The Premises:

Good safe apartment. Smallish room but perfectly okay for my needs.

The Lady:

Apple's pictures appear to be legit, she's a pretty little minx. As many Asian girls, Apple has a very kind attitude. Her body is petite and she really looks cute.

The Story:

I can't complain about Apple but i must say that i wasn't impressed by her. Probably we simply didn't click, sometimes happens and is nobody's fault. We started with a nice massage then on for some oral followed by sex. For the whole time she felt distant and a bit cold. Apple is, without doubt, a pretty girl and she performed well, there was no spark, but i can't fail her.
