The Premises:

Exactly as described in other reports. Very good indeed. Parked in driveway.
I arranged visit by texts and 1 call. Very quick to reply.

The Lady:

Body pictures on website accurate. Very slim and extremely fit for her years (early/mid 40's).

The Story:

The extremely impressive routine has already been described by other reports. CIM, swallow etc..
This was my second ever punt and as my name gives a clue, I was concerned that my first experience at another establishment would be repeated.

Jan made me feel very welcome indeed and she obviously enjoys her work. If she doesn't she deserves an Oscar. Even Demi Moore doesn't act that well.

Plenty of FKissing and fondling (excellent). I owned up to being premature first time round and Jan asked immediately if I could cum twice during the visit. As I could she immediately got the first one over (amazing CIM swallow). Followed by 1-hr of everything. After we were both done out, I think she would have been happy to lie and chat for as long as I wanted. Shower offered even after that. I know I'm a novice at this but I would challenge anyone to direct me to a better punt. As soon as I get cash gathered and time off work I'll be back.
