The Lady:

Gorgeous! - Made me feel very welcome. Very sexy, warm and friendly.

The Story:

Arrived at Sandys after a mega long day at work. A 3:00am start meant that I was well weary when I arrived at Manchester's finest and I needed to be relaxed in the nicest possible way.

Morgan arrived just as I was finishing in the shower and we chatted as I got dry. I requested a long tease and pamper with nothing energetic. Did she deliver - Yes Sirrrr!

I lay on my back as she teased, kissed and probed with her tongue. Heaven. I could feel the desire building like a kettle coming up to the boil. After ages I turned over and she dished out more on my front. After gently teasing my cock with licks and soft kisses, she looked me in the eye and said "you want some of this now don't you?" What a minx!

We moved into some brilliant and energetic OWO, 69 and by then I just had to fuck her - She'd done an amazing job as I had already mentally settled for a lazy blow job when I arrived, but no way after the desire she stoked up inside me.

Mish and doggy followed with me then having some final OWO and cumming over her lovely natural tits as she licked my bollocks from below.

Morgan, you made me feel fantastic and I was so charged when I went out, I could have done another full day's work. Thanks for a memorable post work relax - I'll be back!
