The Premises:

Small and warm flat in a quiet terrace. It was discreet and I felt totally safe.

Inside was functional if a little too warm but that could be my only complaint.

The Lady:

Very cute thai girl. As previous reports have suggested she is much more attractive in the flesh than her pictures on the website suggest.

The Story:

I had a great time. Aside from the warmth of the flat, the only negative was that I had to leave slightly before the hour was up and thus failed to finish round 3; much to Leila's disappointment.

She is an incredibly enthusiastic girl who provided the full set of services that I was after. Round one was very deep OWOTC stood by the mirror. Round two was more OWO along with some rimming/HJ finishing off with another CIM. Round three was more OWO, sex in cowgirl and then anal doggy-style. Sadly time ran away from us and we weren't able to wrap up a hat-trick during the hour although I have no doubt that had I not had to leave, we would have done so even if it had taken us over time.

Another excellent oriental girl who as per her previous reports is well worth seeing.
