The Story:

Kristina was a bit of a departure from my usual beat ? I picked her on the basis of recent Punternet reviews, phoned the number on the review and away we went. She?s in her own ?flat? rather than in an ?establishment?. I wanted a genuine 21 year old type ? slim and pretty. And she fits the bill, with lovely soft skin and that wonderfully nubile quality that only comes with genuine early adulthood. She has lovely, ?Cheryl Cole? type hair ? very L?Oreal. Clearly because I am worth it?? I shagged her every which way, but the session didn?t really fully ignite for me. Although this spark usually only comes after a few visits. My manhood was rampant throughout, which shows how much she turned me on. I couldn?t stop gazing at her lissome body! And she let me come in her mouth, which was interesting. Haven?t done that before. Very naughty. Criticisms? I always like an alcoholic drink to be on offer ? which wasn?t. But that?s pretty much it.
