The Premises:

The place was fantastic new flat in summer town. Very discreet and very welcoming. Just off main road so i felt very safe entering the building.

The Lady:

hmmm.....where to start ok, Shes about 5'7 long brown curly hair. Nice pert breasts i'd say 32 c very nice to look at. Big eyes which make you weak at the knees. Then on to her tight little pussy shaven very clean and tastes amazing:). Also very long legs and beautiful feet.

The Story:

Well out of all the women i've seen over oxford and newbury area she is the one to make me join this site and make a comment. Amazing girlfriend experience, Kisses very soft all over your body, Porn star blowjob which makes you want to blow straight away. Then to the sex which is breathless. Sits on top like a good girl and can ride for the whole 45 mins WELL.....

Im %100 going to see this women again. She comes across as shy but lads trust me shes far far from it.
