The Premises:

Well known apartments in the Sloane area, well documented elsewhere, totally anonymous, dead easy and safe ? just walk in, like you own the place and don?t be deterred by the reception desk. Her flat is clean and delightful.

The Lady:

Lina is absolutely beautiful and so much ?softer? than her agency photo?s. She is so pretty, her bod is perfect and she looks absolutely divine in a cocktail dress.

The Story:

There?s something very seductive about meeting Lina, knowing that her English is not brilliant so why bother with lengthy conversation ? it was like gliding into the arms of an old girlfriend where words really don?t matter that much - my second meeting in ten days ? pretty attentive, for me or am I falling in . . . ?

After some very light, sensual kissing, she was quite amused that I slid off her underwear, before that Cocktail dress!

I was able to guide her gentle ?grinding? with some light pressure on her delightful butt.

Her performance, later, was sublime ? I?m sorry but I?m not going to go into explicit detail ? that is personal and not for public consumption.

I have no idea of the full extent of her services but I had a Huge smile on my face!
