The Story:

Bella is very friendly and passionate young girl. Intelligent girl with lovely and nice personality. Very beautiful face and very beautiful smile and very beautiful eyes and very beautiful sexy figure. From the beginning, everything very positive and nice and lovely. You can see the full detail and photos of Bella on that site and Bella is a truly independent girl that also make the experience with this girl very exciting and she is also take part and enjoys the experience. Lots of passionate French kissing, lots of passionate hugs and cuddles and very nice OWO and reverse oral and lots of slow and sensual sexual foreplay and I spent lot of the time just enjoying Bella by all means, so much excitement with Bella. I had very nice passionate GFE experience with Bella.

This was a very memorable encounter and we clicked instantly and I have already spend an Overnight with Bella and we had great overnight fun doing all sort of lovely and nice and sexy things in the bed in the bath etc. I love to repeat this experience many times as possible. I thought I have enough experience to be sensible and reasonable and be in control of my hobby. But, with this girl, all collapsed in front her under her spell. I have enjoyed Bella by all means of all senses.

Bella is a passionate angel from the planet love. If you a guy who knows how to sensually and passionately please the women, then you both will be in heaven

According to my experience with Bella, the girl is for the guys who appreciate everything about sweet and honey and real passion to enjoy with all the senses and love and teasing foreplay.

To enjoy this girl you need lots of time and effort and passion.

Bella is for slow and sensual and passionate GFE and she is very teasing girl.

Bella is very rare to find absolute gem. I very highly recommend Bella for passionate GFE
