The Premises:

A flat in a big house in a nice area of London. Between Queensway and Bayswater. I didn't see much of the flat - only the bedroom and bathroom - but the facilities were more than adequate.

The Lady:

Victoria is about 5' 5?, slim, with long straight blonde hair down past her shoulders. I'd say she is in her mid-20's. As I was to have fully revealed to me some 20mins later, she has a knock-out body and small breasts with dark brown areolas surrounding the nipples. She has a fantastically shaped arse. The pix on her profile on that other site are of her with maybe a small amount of photoshopping.

The Story:

Victoria met me at her front door looking stunning in a maid's uniform which I had requested when making the booking. She showed me into the bedroom, and then came up close to me and we DFK with lots of tongue sucking. I remarked that I was surprised that I hadn't noticed her before and asked her how long she had been in London. She said that she had been here for about a year. She then invited me to take my jacket off, which I duly did, and she came close and unbuttoned my shirt. She then unbuckled my belt as we kissed some more, and as I got naked she asked me if I wanted to take a shower ? which I gladly accepted. So I went and got acquainted with the power shower while Victoria fixed me my drink of choice ? H2O, straight.

Back in her bedroom Victoria got proceedings underway with kissing (she's good at kissing) and by turning her back to me, bending down and grinding her fine ass into my groin. This, plus the sight of her in her black, sexy maid's uniform and bare back, soon started to produce the desired results.

What followed was OWO, 69 and reverse CG where I had my first eruption. In between rounds we chatted, mainly about world travel and about Poland (which is where she's from). She also told me about her favourite sports which are snow-boarding and skating. Victoria loves to chat and her relaxed conversational style makes her pleasant to talk to.

Our conversation came to an end with her giving me a big smile and wonderful kiss. We removed her maid's uniform so that all she wore was stockings, and then moved onto more OWO, prolonged

doggie, then mish, and then 69 where she toggled between HJ and OWO. The experience was intense and I was so overcome that I launched into my second eruption with gusto.

This is a woman who provides an erotic GFE and who will engage your brain as well as your cock - and leave you drained at the end of the session. She's highly recommended!
