The Lady:

Astrid is tall, blonde and slim, very pleasing to the eye!

The Story:

I booked this lady after reading reports here on PN and I was not disappointed! This is my first post under this name, I have made previous posts, but due to a break of about 10 months I've lost my previous log in.

I have been punting since the 90's and tried many ladies. I can honestly say that Astrid must figure in my all time top 3.

She is very friendly, oh so horny and gives you a true GF experience. As a previous post she does enjoy what she does.

We started with soft hand massage and some friendly chat. Kissing, cuddling and sucking her ample pert nipples developed into me licking Astrids sweet tasting smooth pussy. If she did not come as I told her at the time she is a great actress. Her reply, "I don't do this just for you" with a huge grin on her face.

Oral was covered and that turned into a frantic 69 with Astrid coming again. I heard her say "Fuck me", I duly complied.

Sex was fantastic and eventually I filled the bag whilst she stroked my sack.

I never felt rushed, it was probably the best punter fuck I have had since Victoria retired a few years ago from the parlour a few yards down the road.

Don't miss this one and my advice, book her in advance, she had guys waiting when I left.

I can honestly say ladies like Astrid are not plentiful and I will certainly return very soon.
