### The Premises:

Very up market area in maidenhead. Nice privacy with easy access to her apartment.

### The Lady:

Thankfully she looked just like her website photos i.e. tall, blonde, nice and busty natural tits, attractive and very well spoken.

### The Story:

Sacha was very welcoming. She opened the door in high heels, stockings and suspenders with a feather boa around her neck. She looked the business and after making me a drink of juice (she offered wine but I declined) she was on the floor on her knees and she undid my zipper and removed my old man! Never had anyone this direct before. She used the wet wipes although I told her I had just showered and she put it straight into her mouth.

Well suffice to say the shock was enormous as never been treated this way by a WG before. I came quickly. Thinking that would be the end of my ?160 I was happy to see she cleaned me up then led me into the bedroom where she did it all again. Had a great time trying out different positions and just managed to cum twice although probably there an hour and 15 minutes she never charged me any more either. Very nice lady and I will be making more trips to see her for sure.
