very pretty Indian girl with petite and toned body

The Story:

Entrance via lift, I was taken to a room where the four girls who were available at the time came and introduced themselves and left one by one. The maid returned to ask which girl I had chosen. Each girl was different giving a good choice of age body size/shape and ethnicity, something for all tastes, a no brainer for me as Kiera matched my type perfectly.

I was shown to a bedroom and Kiera came in and greeted me with a kiss , established which services I required and undressed to show off an amazing petite body with lovely pert tits.

I had fantastic unhurried o.w.o, onto reverse oral on her sweet tasting little shaven pussy, 69 and then on with the condom to be straddled cowgirl(wow she is tight). After a while I flipped her onto her back and we shagged mish untill I came. After cleaning up I was offered a massage to relax me which continued untill the mini timer in the room rang (I hadn't even noticed it was there prior to this)

I had a fantastic experience, Kiera is a true star. I will be back.. SOON !
