The Story:

I visited Anna twice in two days, first time a ?25 massage and wank, it was so nice to just be in the room with this lady I had to go back

the main event was even better, she smiled and talked and so turned me on

we had a great laugh and then got serious she screwed me in cowgirl and went for it big time so I shot my load all to quickly and I really believe she was a little dissapointed that I did not pleasure her for longer

she loves sex that is all too evident

guys this girl is a gem an absolute gem 12 out of 10
