The Premises:

Establishment is easy enough to find on main road of Northenden village (south Manchester). Its a cosy little place - very tidy and modern inside. Receptionist is very good and quickly makes you feel welcome, which is always a bonus having never visited before.

The Lady:

Anna is a little beauty. Half Italian/Portuguese with a very sexy, exotic accent to match! Gorgeous eyes and sexy curves in all the right places. Her pictures don't do her justice!

The Story:

A lot of kissing and cuddling from the both of us. Plenty of RO and teasing for a wonderful GFE. A variety of positions tried - some easier than other due to the size difference (her 5' vs my 6'3") but still a lot of fun. Loved spending time with her and discovering her soft spots ;)

Overall a great experience with a beautiful, exotic lady and one that will definately be repeated sometime.

On a side note - I was introduced to the other two ladies on shift (both beauties in their own right) but had already set my mind on Anna ahead of arrival - sorry ladies ;)

If your tall and in the upstairs room please remebember to duck going through the door!
