The Lady:

As per pics on website. Lovely girl, probably around late 20's. Nice figure, a like a girl who is not a stick insect and you think might snap in two, Lou certainly has curves in all the right places.

The Story:

After sorting out drinks and a chat, we retired to the bedroom to let the real fun begin.

Louise wasted no time and stripped off to reveal a fine figure. Started with some real horny kissing, more like snogging, before moving onto some outstanding oral.

Louise produced some toys which led to some interesting experiences for both of us !!. On with the mack, and sex with Lou to top. She looked awesome, and I said that I wanted to cum in her mouth. With that she whipped off the hat, and took me in her mouth, leading to me nearly covering her in man paste.

All in all a great punt, especially as it was an incall. My only complaint would be the cost of additional hours, which are charged at the full rate. If there was a reduction for additional hours, like most agencies offer, I would almost certain of extended the booking to two hours !!

Definitely use again !
