### Details of Service Provider:

**Profile Name:** Kitty's

### The Premises:

Luxuriously furnished flat above a shop on a main road. The entrance is via a very exposed wrought iron stairway to the rear. Parking is available in local streets, it is also near to Elmers End station and local bus routes.

### The Lady:

Two girls were available - I chose Stephanie, the younger of the two, petite but with a very firm and curvy gym-toned body, a beautiful bubble butt and 32E breasts with large and very sensitive nipples. Her buxom assets were unfortunately very artificial!

She said she was half Spanish and half Malaysian - a very sexy and alluring mixture. Very bubbly, outgoing and raunchy personality, the maid said on the phone that she provided all services.

### The Story:

Another little Fire Cracker!

A very obliging, enthusiastic and sexy young lady!

The only down side was her very obviously fake 32E's

I'm writing this report a while after the event, with several more encounters with others in the meantime, so the memory of what exactly we got up to has faded, but suffice to say that I will be back as soon as finances permit.

The service at this establishment is so good it is very hard making a choice between the girls!
