The Story:

my intercom wasn't working so i met her as she got out of the car! she is stunning! into the flat money exchanged. I sat on the settee as she stood towering over me in her heels. she asked me in her sexy romanian accent if i was ready for a big surprise as she parted her overcoat to reveal her long perfectly toned stocking clad legs and perfect heavy looking tits! she was only wearing a basque with no knickers! on my knees as i tongued her wet shaven pussy! she was soon moaning as she lay on the carpet and i continued to eat her to 2 shuddering climaxes, she was very vocal! 69 and fucking in mish wih her long legs over my shoulders! i eventually pulled out and shot a load of spunk across her tits, awesome! had a nice chat after, an incredible woman!
