The Premises:

Basement flat in very quiet street near High street Kensington. Lauren gives you final directions when are near a pub just around the corner. Pleasant place and very clean.

The Lady:

Lauren is a rubenesque lady in her fifties with a very large pair. Great enthusiast about life and especially sex.

The Story:

Lauren genuinely enjoys sucking a cock (OWO) and always swallows. She is also an expert rimmer. There is no clock watching and quite a sense of disappointment if you are not game for a second round. Other services are not on offer as far as I know but for me her service is all I need.
