### The Premises:

house of divine is clean reception and service is superb. The main room was busy and had to wait in the kitchen area for 2 minutes whilst waiting for the lovely mia. I felt a bit uneasy waiting in the kitchen area with all the noises and phone going but excited. I got told by reception that mei would be a couple of minutes. I felt like it was ten minutes that passed by and this place was really busy. Just as I was getting a bit worried mei walked in and was smiling and apologised for wait which was really kind of her to say and put me at ease. She helped me cool down from my excited state but that didn't last long as she looked simply stunning and oozed sex appeal.

### The Lady:

5ft 3" incredibly sexy size 8 figure with the most superb 32C breasts and a bum that is absolutely gorgeous small and can fit in one hand. She has a kiss that is electric and she loves french kissing and really knows how to use her tongue which always makes me so horny. The way she moves her body and her seductive looks are so sexy and erotic I got an almost immediate erection

### The Story:

mei almost immediately took my engorged penis into her mouth and went as deep as she could take and I could hardly control myself as she spitted round my cock, the way she sucked and spitted on my cock and the way she looked at me whilst she sucked my cock made me cum. I'm still rock hard at this point and she is encouraging me to stay hard and I feel like wanting to fuck her so badly. I put on the condom and wanted to just fuck her on the sofa. We engaged in carnal delights and then we started to engage in doggy style on the sofa. Mei looked throughout like she was really enjoying the experience and was into the sex as much as I was.

Unfortunately reception knocked on the door and interrupted our session by this time mei was giving me an incredible blow job to try and make me come again. I felt incredibly satisfied and Mei is an incredible amazing girl who I would recommend to anyone.

She is incredibly sexy always looks like she is enjoying the experience as much as me and I can't wait to see her again.
