The Lady:

Fantastic looking Black girl, mid to late 20's, great tits, originally from South Africa but has been in London some time. She met me with a lovely kiss & we hit it off from the start. Dressed in a basque & fishnets as requested. Pictures on the website are accurate.

The Story:

Well I am pretty much up for anything so we started off with a "tie & tease" whilst she gave me excellent OWO. She also enjoyed a bit of anal play on me. Missy then released me & we moved into 69. Her pussy was sweet & wet. On with the jacket & we shagged in mish & doggy, which she really enjoyed. Unfortunately the hour went quickly, as time flies by when you are enjoying yourself so we finished with a bit of mutual masturbation. We had a real laugh when I came all over her body & my cum seemed to go everywhere.

A very enjoyable hour with a lovely lady. I will definitely be planning a return visit next time I'm in London. Highly recommended if you like young attractive black girls.
