### The Story:

What a wonderful way to return to the London scene. Or should I say, proof that I have been a fool to stay away for so long.

Leila was welcoming, generous, demure, attentive, insatiable, enthusiastic, open, considerate, demanding, energetic, optimistic, thankful, resourceful, polite, entrancing, skilled, imaginative, intent and intensive, mindful, funny, fearless, frank, foxy, fabulous and filthy.

?

She is petite, silky, toned, comfortable, flexible, headturningly beautiful.?

What a wonderful way to return to the London scene. Or should I say, proof that I have been a fool to stay away for so long. Leila was welcoming, generous, demure, attentive, insatiable, enthusiastic, open, considerate, demanding, energetic, optimistic, thankful, polite, entrancing, skilled, imaginative, intent and intensive, mindful, funny, fearless, frank, funky, fabulous and filthy.?

She is petite, silky, toned, comfortable, flexible, headturningly beautiful.

Being rimmed was divine (the secret, ladies, is not just a wet, probing tongue but the simultaneous patterns her fingers played between arsehole and balls) and the time and effort and ingenuity she devoted to helping me cum a second time, well, I declare, it all made me very happy. Very happy indeed.

And then she thanks ME! ?
