The Premises:

Clean and tidy just off a car park that was free for 2 hours.

The Lady:

Tayla is a stunning british blonde with a lovely figure, her pictures on the various MK websites don't do her justice

The Story:

When i arrived slightly late (damn A5) the first girl i saw was nina and at first i though i may have made the wrong choice, then i saw Tayla walk past and realised i had definitley chosen right.

Once the financials were out of the way (i chose the optional extra body to body contact - well worth it) Tayla began a very sensual massage that is hard to find the words to describe, after about 25 mins i rolled over and she continued the massage. She then started the body to body contact part and this was amazing (best 310 i've ever spent). Then followed the happy ending and a shower.

I have 2 regrets:

1. I should have booked an hour
2. i wish it was at annabellas or HOD ;-)

Tayla asked would i go back and i told her probably - well i lied i will definitely return.
