### The Premises:

Easy to find location, very discrete with plenty of parking. Very clean, top quality establishment. Felt extremely safe

### The Lady:

WOW just doesn't seem to do Nina justice, Nina is extremely fit, gorgeous in fact, with a body to die for or dribble over in my case...

Just want to mention that Charlotte the maid is incredible, managing to convince Nina to pop in for an hour on her day off.

### The Story:

Arrived and wasn't really sure what to expect, decided to go for an hour massage with body to body and salt scrub assisted shower.

Had a great shower which Nina turned into a really teasing time each time she went down for more salt rub! Followed by a fantastic massage, Nina flipped me over, massaged my front which then lead into an extremely happy ending, I didn't think that hand relief could be so erotic and such a rush - I was well wrong.

Will I be back for more, hell yes!!! Might need a pay increase to fund this new addiction.
