The Lady:

First time in age I've been to this parlour, for reasons of geography and cost, but for your extra few bucks you do get a better class of girl.

Rebecca is stunning. She's advertised as 19 but happy to admit to 26, 5'4", pretty face but sensational body, with C cup boobs and a neat pussy. The winner though is her exceptionally smooth and even coloured skin.

The Story:

Went for the VIP service, which is very pricey for 45 minutes when many agency girls will give you an hour for the price. However I wanted no limits with this beautiful woman, and she threw herself into things - it felt just like having a Russian girlfriend, as she speaks good English and is funny too. The preliminaries were all very pleasant, but I let things down by coming too soon when she climbed aboard (having left things too long since my last punt...). R tried hard to get me going for round two, but age won the day alas

Will try her again soon when in better shape!
