The Premises:

Last minute booking, Agency sorted out my second choice very quickly and professionally - on arrival smart block on Cromwell road (seen it on google maps), very nice inside, clean, fresh towels. Safe 24 hours I would say. Front reception, but entry is via a buzzer, so once in straight up in the lift. Totally Anonymous. She shares with at least one another girl I could hear in the other room.

The Lady:

Just lovely. Nice greeting. Long blonde hair (OK yes extensions, but WOW). Very pretty, doesnt need photoshoping, lovely breasts - she told ne she may have some enhancement put in, shes lovely without it.

The Story:

Seem to have switched to Latinos, a bit of a punt this. light kissing (no FK), then OW. Usually this disappoints, but then erupted into a frenzy of swapping positions and ended up in a wonderful doggy. Kara invited me to insert my fingers in her moist opening on a condom (not done that before), she's tight boys, very, very erotic. I was going to go for seconds, but the one pop took it out of me and felt my money (10% discount for sundays by the way) had been well spent. So I had a chat about life and stuff instead as I needed to be on my way. Showered before and after. Great girl, great experience. Highly recommended. Second punt in a row a winner - Obrigado Kara from Dan
