### The Premises:

well reported by me in previous reports

### The Lady:

heavenly natural Blonde blue to green eyes standing at about5/7 and a magnificent average pair of breasts

Sarina has a all over body tan and a wicked smile size8/10 figure aged mid yo late 20s  
no dissapointment here guys

### The Story:

sarina has the most welcomeing smile and is fitter than a butchers dog  
sporting all the right things in all the right places and she knows how to impress in the room  
i dont want to go into the service to much but when she was told by the others that i leave reports  
here . she was slightly nervous with me after what was a very very good service she self admitted  
that she did not give a good service, well if that was her not giving a good service i cant wait for the  
return visit cause the next service is going to be the best i have ever had in any parlour so i shall be  
back for the ride on concorde to break that sound barrier honey

this girl is one excelent punt and so natural she could win an oscar for her role thanks Chef xx
