The Lady:

Holly is a corker!

A tall long-legged blond, very attractive with a lovely face. Big eyes and luscious lips. She is not big busted but has delightful natural breasts with large nipples that stand to attention with a little sensual stimulation.

The Story:

We started with the shower. Holly is clean-shaven revealing a really sweet tight pussy but she has had enough pubic stubble to rub against my bare backside while she gave John Thomas a thorough stroking. Soon I had an erection like a tree trunk.

Back in the room I took the plunge from several angles with Holly very willing to please and accommodate all my desires.

Then it was time to go down and taste those delicious juices until Holly came with a pulsing orgasm that put a smile on both our faces.

We ended with some 69 until I felt waves of pleasure culminating in an explosion of orgasm. In the post coital bliss I was floating on a cloud. Well done Holly!
